- The Event Covid-19 risk mitigation plan in accordance with the [FEI Policy for Enhanced Competition Safety during the Covid-19 Pandemic](#)
- The Event Approved Schedule

*Given the current covid-19 situation, please note that the FEI's approval of a Schedule should not be taken as an absolute guarantee that the Event will definitely go ahead. The decision whether the Event can take place must be made by the OC and NF in close consultation with the applicable domestic government and public health authorities. It is the responsibility of each Participant to check the status of the Event prior to planning his/her travel to the Event.*

**COVID-19 Mitigation Plan**

Every participant of the event is obliged to familiarize with these guidelines. The spread of the virus depends on the individual's responsibility and the attention paid to complying with all measures.

Before entering the venue, all visitors must undergo a temperature measurement - performed by security employee. If someone's temperature higher than 37.5 degrees Celsius the entrance will be denied and the person will be advised to stay isolated and look for medical advice.

The event will take place outdoors, including prize giving ceremony, and each of the participants must keep 2m distance between each other. This is mandatory and includes the professionals responsible for receiving the animals, spectators, athletes and officials.

At the show ground you will find sanitizer stations. Please use these frequently, and every time you touch any surfaces.

Tents for officials are equipped with disinfectants and disposable material, gloves, disinfection, paper towels, individual bottles of water and face masks.

The secretariat will have a maximum of two attendants. All payments, such as registration, GTA and stabling must be made online before the start of the event.

The organization will keep a person responsible for cleaning and sanitizing the area of the event.

It is the duty of all participants to communicate immediately to the organization of the event if they present any symptoms during or up to 15 days after the event.

Face masks are mandatory indoors (offices, bathrooms, secretariat). All professionals must wear PPE. Indoor places must be ventilated. All rooms used during the event will be cleaned and disinfected after each day of the event.

If you have any questions, you can call the Brazilian COVID-19 hotline 136 or visit <https://aps.saude.gov.br/ape/corona/telesus> for more information.

### **III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>
